AC Servo Motor & Driver MINAS A6 Series
Notice of booklet size change and adding QR code for production management of “Safety Guide (Japanese/English/Chinese)” and “Safety Instructions (8 languages)”

Thank you for your daily support and efforts to our business.
In regard to the titled matter, we will change the booklet included in the package of AC Servo Motor & Driver products.
We would appreciate your understanding and cooperation with this matter.

- Affected Models: AC Servo motor & drivers of MINAS A6 series (A6S, A6N and A6B)
- Affected Part number:

M * D L * * * * *

All model with “L” as the 4th characters of part number

- Reason of the Change: for environment protection
- Schedule of the Change: from Dec. 2019 production onwards.
- Description of the Change: We will change the booklet size and the layout of the front cover of “Safety Guide” and “Safety Instructions” included in the package of products as below.

Before Change (A5 size : 148 mm×210 mm)		After Change (B6 size : 128 mm×182 mm)	
Safety Guide	Safety Instructions	Safety Guide	Safety Instructions
